A special meeting of the Territorial Board of Education was held at 2 o'clock this afternoon in the office of the superintendent of public instruction at the Capitol. Governor Hagerman presided as ex-officio president. Superintendent of Public Instruction, Hiram Hadley, was at his post as secretary. There were present Prof. W. G. Tight, of Albuquerque; Prof. C. M. Light, of Silver City; Prof. Edmond J. Vert, of East Las Vegas, and Prof. Luther Foster, of Mesilla Park. Brother E. Lewis, director of St. Michael's College, of this city, was the only absentee. He was unable to attend on account of indisposition. The meeting today was called for the purpose of discussing further the proposed changes in the school laws of the territory and especially with regard to the supervision of the county schools. When adjournment was taken it was decided to have a conference at the earliest convenience with the joint committees on education of the Council and House of the Legislative Assembly relative to the amendments and new legislation proposed.—New Mexican
